*Trip to Sno...*

VP Sam and Karen will be the trip leaders for Sno Mountain. Lack of crowds is a key feature of the mountain. Sno also boasts of having --White Lightning -- the steepest trail in the state. It's just as nasty looking up from the bottom as looking down from the top. The moguls simply serve to increase its difficulty. (Honorable mention: Rattler. It's not too long, but steep and only about six feet wide.)

**DATE:** Sunday, March

**PLACE:** Sno Mountain Scranton, PA ([www.snomtn.com](http://www.snomtn.com))

**TRANSPORTATION:** This is a self-transport trip and carpooling is available.
