BSC Members,

Events Recap for Last Week

I wanted to personally thank all of you that came out to the Devil's game on Friday night. We had about 30 ski club members and friends present to watch the Trenton Devils defeat the Wheeling Nailers by a score of 2 to 1. The stands were packed with enthusiastic kids, and although basic hockey game etiquette was not easy to find, it seemed that the every one found something entertaining about the evening. This was a great family friendly ski club event, and I look forward to seeing everyone at the ice skating rink at Penn's Landing on March 1st, and at Papp's Bowling Alley in April.

I also wanted to thank those who participated in the spur-of-the-moment ski trip to Jack Frost and Big Boulder on Thursday. As with other trips this year, some members decided a few days in advance to invite other members for a mini ski trip.

Five fellow BSC members chose to skip work and spend the day together on the black diamonds in the Poconos. All members present learned that: ski blades only work when you don't drive them straight into a snow bank; one snowboarder had more success staying up then the other, and sneezing while in the middle of a steep run is not recommended. You can also take this ski club President's word for it when I say, that allegations that I had taken off my skies in order to get down a difficult trail on my side are completely fabricated... to set the record straight I used my tailbone to slide down on... You can read more about it on the blog page of our Website at (www.BordentownSkiClub.com), and the photos should be posted soon.

I want to point out that four of the lift tickets to Jack Frost and Big Boulder were FREE, because they were won at previous ski club meetings. The 5th member was able to use a discount ticket which was available at the mountain.

Remember, anyone who attends our monthly meetings, receives an opportunity to win free lift tickets, gift cards, and BSC apparel. You could be the next big winner on Wednesday, March 11th.

Be sure to check out the Website, and our MySpace and Facebook pages for club information, photos of the recent trips, events, and so much more.

...And here is this week's Bordentown Ski Club News.
