Meeting News

According to the club's By-laws, the Bordentown Ski Club won't need to meet again until the fall. A small number of members mentioned having a party in April to talk about club news and give out award certificates for famous moments this ski season. No official word on whether this event will happen but if you are interested please let Jackie (jackiebell8@comcast.net) know. Also please send her your ideas and memories. The club will need your input, if they are going to have a awards party this spring.

Website News

The Bordentown Ski Club is looking for a Webmaster. Currently the page is up (in an limited manner). If you or someone you know would like to relaunch a site for the club please let Jackie (jackiebell8@comcast.net) know.

In the coming months, I am sure that the club will be in touch with you about the activities and events they are planning. Feel free to submit feedback and ideas as well.

I have enjoyed taking the reigns during the ski season. I was happy to network and use my contacts to supply those that attended meetings with free lift tickets and gift cards. I was eager to deliver news about discounts and I am so grateful for the friendships I was able to make with other ski club Presidents. Together we worked to provide our members with several trip opportunities. I am pleased that I could broker the 50% off day with Lang's Ski and Scuba, and I know many of you took advantage of that opportunity. I hope that I was able to meet your expectations, and look forward to building on the experience I have gained this season so that I can achieve more in the future.

Thank you for your support and dedication this season,
Sara Ryan
