Date: Mon, 06 Apr 2009 09:28:33 -0400

Good morning members,

Seems like Spring has sprung and skiing is becoming a distant memory. But not all is lost. We still have non-ski events to get us through until the onset of next season.

This week's meeting, Wednesday, April 8th will be the last until September. We'll recap the past season, update everyone on recent board developments, and finalize plans for non-ski activities throughout the summer. We'll also touch on what's in store for next season. Please show your support for the club by coming out to the meeting

NEW MEMBERS:

Please join me in welcoming two more new members this week. Jim and Jen Mininger. Jim and Jen joined the BSC at Blue Mountain for our first annual Fat Tuesday ski trip. Jim is a long time skier and Jen was a first-timer, who took to skiing like a fish takes to flying. Just kidding, Jen. She did great for her first time and is looking forward to giving it another go next season, or at the very least, getting some more barstool hours logged while skipping work. Welcome aboard to both of you.

WEBSITE:

We are still looking for volunteers to maintain the site, so let us know if you are interested.

EVENTS:

This Saturday's bowling event was a great success. We took over the entire right side of the bowling alley and mixed and matched players and lanes to better mingle. We will be scheduling another bowling event over the summer, since this is one of our most popular events.

Be sure to let us know what else you'd like to see on the summer event calendar, as it will be finalized at the meeting Wednesday.

MEMBERSHIP:

As mentioned earlier, BSC is running a membership special. For \$10, you can join the club now and take advantage of all the non-ski activities throughout the summer, with your membership valid until November 2010. Tell your friends, neighbors, and co-workers.

2010 TRIPS:

On May 3rd, representatives from BSC will be attending the NJ Ski Travel Show. Details can be found at:

<http://www.prwtravelshows.com/eastern.htm>

This is a great opportunity to learn how to efficiently run a ski trip and get to go for free! So far we have three people attending. If anyone else is interested in attending, please let me know right away as I will be sending in the registration form next week.

Okay, that's it for this week. Hopw to see you all on Wednesday evening.
