

## THE MINUTES

By Allison Sickles

The March meeting was our last official meeting of the year and it was short, sweet and lots of fun! We still didn't have a whopping turnout, but our odds for winning the good prizes were increased that much more!

Fortunately, I won the first drawing of the evening and picked out a \$25.00 gift certificate to Tsucasa- the newly famous Japanese restaurant in Bordentown City!

The meeting continued with some club stats. Our president reported that our club now has 65 current, paid members. We also have gained 3 more facebook friends and our popularity continues to grow! Don't forget to tell your friends to join, and to add us on facebook. Don't keep all the fun and discounts to yourself!

The treasurer's report concluded that we now have \$595.68, which is an increase from last month of \$72.00- the sum of which came from t-shirt sales and the Blue Mountain deposits.

Our returning member, Chris, won the second drawing (the hot potato game), and I bet he's glad he returned for *this* meeting! He chose the Sonny Bono Ski Club Bucks and paid for his membership for the entire year! He stated that the bucks were "fancy shmancy!" Go Chris!

Advance purchase lift tickets are still available even though the season is winding down. We are pushing for Okemo and Mt. Snow. Ascutney vouchers are also available for only \$10.00.

There are also a ton of other last minute deals! Please check the website for all the dates of all the events. They are all on the club calander!

Theresa was unable to make the meeting, but we assumed that the Camelback trip fell through due to lack of participation. Hopefully with the 5 feet of snow at Mt. Snow a few weeks back, there will still be some good ski days that we'll be able to take advantage of!

The scoop on the Fat Tuesday event at Blue Mountain was that everyone had a splendid time! It was raining and all the members were not able to stay all day because they were all wet, but the time spent was well worth it! And since this was a successful event this year and last year, we will continue to make it an annual event!

The New Jersey Ski Club Council is holding a contest to change the front cover of the Council Guidebook. Submit your design and win a chance to have your picture featured on the book and free lift tickets!

We finished the meeting with stories to reminisce the 2009-2010 season! Our conclusion- Watch out for mogels!

Our next meeting is an informal meeting. It will be held at Pap's Bowling Alley. The lanes are reserved already, so if you are planning on going, please let us know as soon as possible! The ski club will be paying for free pizza for all members. Non-members are welcome but will be charged \$5.00 for the pizza. It's BYOB and the night we're going happens to be moonlight bowling night, so you may just make back the money you spent on games and shoes! Just in case you were wondering, the 3 games are \$13.00 and shoe rental is \$2.50; although you should probably invest in a pair of personal bowling shoes, or else you might catch some funky foot diseases. I won't mention any names.. Either way, we hope to see you there!
